LOMBARD IL 60148-3217

Dear Principal:

Your students, whose names are listed on the next page, took the 2019 Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT®) and met requirements to enter the 2021 National Merit® Scholarship Program. With a Selection Index score of 209 or above, these high performers have shown outstanding academic potential. From more than 1.5 million program entrants, each of these students is among the 50,000 highest-scoring participants who will be recognized as either Semifinalists or Commended Students in the fall.

**Please review the list of names on the following page(s) and notify National Merit Scholarship Corporation (NMSC) immediately if any of these students:**

- have a name that requires a correction;
- have moved or transferred to another school; or
- are no longer eligible to receive National Merit Scholarship Program recognition.

**This is the last opportunity for you to review the list of names for accuracy before mailings, publications, and public announcements are finalized this summer. Please send notification of any updates and/or corrections to [student@nmerit.net](mailto:student@nmerit.net) or to the mailing address shown above. No action is required by the student at this time.**

From the 50,000 high scorers nationwide, about 16,000 will be named National Merit Scholarship Program Semifinalists, representing the top scorers in each state, and the other 34,000 students will be commended for their performance on the PSAT/NMSQT. Semifinalists and Commended Students in the 2021 National Merit Scholarship Program will learn of their standing in September when we send you notification and ask you to inform your students of their recognition. Semifinalists will be the only students who will have an opportunity to continue in the competition for about 7,600 Merit Scholarship® awards to be offered in 2021. Details about the competition and levels of program recognition are provided in the *Guide to the National Merit Scholarship Program* that was mailed to high school principals last fall and on NMSC's website, [www.nationalmerit.org](http://www.nationalmerit.org).

We are genuinely grateful for your assistance. The cooperation and encouragement of high school principals and counselors are essential to NMSC's efforts to recognize and honor the academically talented students of the United States.

Sincerely,

Kimberly C. Greiner  
Executive Director of  
Scholarship Administration
