## **CPSA Summer Math Program**

Dear Parent,

Assalamu Alaikum

I am excited to share the news that CPSA will be offering online classes for Algebra, Algebra 2, and Geometry this summer. The classes are open to non CPSA students as well. The details are as follows:

Algebra 1 (for students currently in 6<sup>th</sup> - 8<sup>th</sup> Grade) – Mrs. Khalid  
June 22 to August 4 (6 weeks)  
Mondays, Tuesdays, and Wednesdays  
3:30 to 4:30 PM

Algebra 2 (for students currently in 9<sup>th</sup> & 10<sup>th</sup> Grade) – Mrs. Khalid  
June 22 to August 4 (6 weeks)  
Mondays, Tuesdays, and Wednesdays  
2:00 to 3:00 PM

Geometry (for students currently in 8<sup>th</sup> & 9<sup>th</sup> Grade) – Mrs. Ruyyashi  
June 22 to August 4 (6 weeks)  
Mondays, Wednesdays, and Fridays  
11:30 to 12:30 PM

These are non-credit classes and will provide a thorough review of the most important topics in Algebra 1, Algebra 2, and Geometry. They are perfect for students who plan to take these classes next year and would like to be well prepared by engaging the topics over the summer. They are also perfect for those who have already taken these classes and would like to strengthen their mastery of the subject in preparation for their next math class. The classes will meet online three days a week via live interactive lectures along with assigned reading and homework problems. The class will incorporate IXL for practice as well as to provide feedback on student progress which will be communicated with parents. The cost for the 6 week course is only \$100. Please register soon as seats are limited. For registration and payment, please click on the link below and select the appropriate course from the dropdown menu.
