February 14, 2022

As-Salaamu Alaikum Parents of CPSA Students,

We are pleased to inform you that our new building is operational and fully functional, Alhamdulillah. The new building includes State-of-the-Art Chemistry, Physics, Biology and Computer labs along with a regulation sized Gymnasium. The new building is utilized by 8<sup>th</sup> – 12<sup>th</sup> grades, Preschool, and Kindergarten.

Alhamdulillah, CPSA is offering an after-school Hifz program consisting of two-hours Hifz class from 3PM to 5PM. The Hifz class is optional for CPSA students and is free of cost. The students who are maintaining a minimum GPA of 3.0 are eligible to enroll.

We would like to note that CPSA offers free after-school tutoring to our students who need additional academic support. Following are the salient points of the registration process:

- a) All returning students should register online starting Tuesday March 1<sup>st</sup> to Friday March 18<sup>th</sup> 2022, to secure a seat in CPSA. Online registration for the returning students will end on March 19<sup>th</sup> 2022. After this date, the returning students must contact the main office to register if a seat is still available.
- b) We will entertain new students for the open seats starting Monday March 21<sup>st</sup> 2022. Hence, we will not be able to guarantee a seat for the returning students if not enrolled by Friday March 18<sup>th</sup> 2022.
- c) The required documents pertaining to the registration process are attached.
- d) The parents of 11<sup>th</sup> and 12<sup>th</sup> grade students are required to read and sign the ‘CPSA Substance Screening Consent Form-2022’ at the time of registration. Parents of 12<sup>th</sup> grade students are required to also sign ‘CPSA Tuition Agreement Form-2022’.

Please make sure to complete registration by Friday March 18<sup>th</sup> 2022, to secure a seat for your children. Please contact the main office with any question or additional information.
