2024- CPSA Financial Assistance Program

Despite limited resources, CPSA has been competing with the top schools in this region to maintain its goal of *Academic Excellence in an Islamic Environment*, which reflects in our performance on standardized tests and extra-curricular activities.

It is a challenge for a school like CPSA to stay competitive and provide accelerated programs with comparatively lower tuition fees. At the same time, we recognize that certain parents may need financial assistance to keep their children in CPSA. We offer two types of financial assistance to CPSA parents.

- a) Sponsor-a-child program where your friends or employer can sponsor your child(ren) by donating money for tuition fees.
- b) Financial Hardship Discount (FHD) program helps parents who cannot afford to pay the full tuition for their children due to financial hardship. This program is designed to help create a fair and transparent system while maintaining the confidentiality of each family. The salient parameters of FHD program are outlined below:
 - 1) The returning parents shall submit FHD application with required documents by **May 31, 2024**. The FHD committee would review the FHD application and determine tuition discount by **July 1, 2024**.
 - 2) The new parents shall submit FHD application with required documents within three weeks of getting admission in CPSA.
 - 3) FHD will be available to students only in grades 8-12.
 - 4) Students with less than 3.5 GPA are not eligible for FHD.
 - 5) FHD will not be available to families who have outstanding past dues from prior years.
 - 6) Students with disciplinary action or behavioral issues in prior academic year are not eligible for FHD.
 - 7) Students must maintain 90% or above school attendance (includes policy regarding tardies).
 - 8) FHD, if approved, will be valid only for the current academic year. Parents must submit a new application and supporting documents for each academic year.
 - 9) Any violation of the CPSA policies or acts repugnant to the CPSA organization by the student and/or the Parents/Guardians will result in an immediate termination of FHD.
 - 10) The parents seeking FHD will be required to submit IRS transcript of 2023 tax filing OR certified copy of 2023 Form 1040.
 - 11) Students who obtain FHD should consider donating to CPSA or sponsor a needy student after they start earning.
